NACD's servers sometimes automatically record information when you visit our website or use some of our products, including the URL, IP address, browser type and language, and the date and time of your request.

Uses

We may use personal information to provide the services you've requested, including services that display customized content and advertising.

We may also use personal information for auditing, research and analysis to operate and improve NACD technologies and services.

We may share aggregated non-personal information with third parties outside of NACD.

When we use third parties to assist us in processing your personal information, we require that they comply with our Privacy Policy and any other appropriate confidentiality and security measures.

We may also share information with third parties in limited circumstances, including when complying with legal process, preventing fraud or imminent harm, and ensuring the security of our network and services.

NACD processes personal information on our servers in the United States of America and in other countries. In some cases, we process personal information on a server outside your own country.
